

The first MBA shaped by business leaders.

Why Hult?

1. Groundbreaking new MBA curriculum

Designed with input from top business leaders, the MBA at Hult integrates soft skills into the curriculum, along with standard hard skills such as accounting, marketing, and strategy. The program offers a transformative learning experience, and equips you with the essential interpersonal skills needed to lead teams and manage complex projects.

2. Top-ranked business school

Hult is ranked 5th in Percentage Increase on Pre-MBA Salary by *The Economist* (2013), and Top 5 for International Business and International Experience by the *Financial Times* (2014).

3. International exposure

At Hult you will study alongside peers of 140 nationalities and become part of our 11,000-strong Alumni Association, which is active across the globe. You can also choose to broaden your international experience by rotating to up to two of our five campuses in Boston, San Francisco, London, Dubai, and Shanghai, and our rotation center in New York, for up to three months.*

*Subject to availability.

4. Practical experience

Our research also shows that standard MBAs fail to deliver graduates with practical experience, so we have integrated practical training across our curriculum in a significant and impactful way. The capstone of the program is the Hult Impact Challenge—a team project which allows you to hone your practical skills while pursuing a specific area of interest.

5. Be inspired by thought-leading education

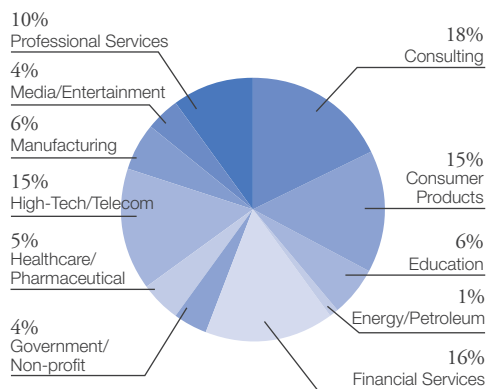

Learn from Hult professors with real-world experience and be inspired at one of Hult's numerous events with leading visionaries. Past speakers include Paul Polman (Unilever), Arianna Huffington (*The Huffington Post*), and Jimmy Wales (Wikipedia).
